Une histoire de l'argent (n°26) – *History of Money*

James Robertson

Of all beings, only humans use money. The role of money has been constantly changing since its invention. But what are the origins of money? Why is money often an issue today? How could we change our relationship to money?

Publication date: October 2007

James Robertson is a British intellectual and activist with a special interest in the economy and politics. He has been a writer and a lecturer since 1974. He is also one of the founders of The Other Economic Summit, which occurred at the same time as the G7 forum in the 1980s. In 2003, he received an award for his 25-year contribution to the promotion of a new economy based on social and spiritual values.
